

A DOLPHIN ONCE THERE WAS IN THE SEA BUT NOT FOR LONG AS SOON HE WAS CAUGHT BY A LARGE NET WITH OTHER MINOR FISHES AND SOON HE WAS SLAUGHTERED AND COMPRESSED IN MANY SMALL CANS YET HIS SMALL BRAIN BECAUSE IT REALLY WAS VERY SMALL MANAGED TO SURVIVE IN ONE OF THESE ABOVE MENTIONED BOXES AND KEPT ALIVE AND WELL PRESERVED WITH THE STRATA OF OIL IN WHICH IT WAS DRAWN IN A STATE OF TOTAL RELAXATION WITH NO NERVES TO BE CONSTANTLY WORRY ABOUT NOR ANY HORMONES TO INDULGE BUT PRESERVED IN A BATH OF TRANQUILLITY AND PERFECTLY SEALED ISOLATION WITH NO STREAM TO PREDICT OR PRAY TO BE ALERTED BUT JUST TOTALLY RELAXED AND SO MUCH RELAXED THAT YEARS LATER WHEN THE ACTUAL CAN WAS OPENED TO BE CONSUMED THE DOLPHIN'S BRAIN EXPANDED COMPLETELY OUT OF IT AND SOON WHERE IT WAS OPENED AND THE BUILDING ITSELF AND THERE WAS REALLY NOTHING FOR THESE LITTLE HUMANS TO UNDERSTAND ABOUT SUCH AN ENORMOUS ORGANISM THAT NONE OF THEM WOULD AT THIS POINT DARE TO CONFRONT AND WHAT A SATISFACTION FOR SUCH A BRAIN TO MANIFEST ITSELF TO ALL ITS GRANDIOSENESS THAT FOR SO LONG HAS BEEN SO CONCENTRATED BUT IT WAS NOT TOO LONG THAT THE CONSTANT HUMAN FIRE AGAINST IT AND THE LACK OF HIS NOURISHMENT MADE IT DRASTICALLY TO RETREAT AND

DIMINISH CONSIDERABLY IN PHYSICAL CAPACITY EVEN THOUGH THE MENTAL CAPACITY GAINED IN ALL THESE YEARS OF ISOLATIONS WAS KEPT INTACT AND SO RETREATED BY SO MUCH ANGER AND HUNGER IT SOON HAD TO THINK OF A PLAN TO MAKE IT SAFELY OUT OF THIS SITUATION BUT THERE WAS NO TIME BECAUSE SO RETREATED FOR ONCE IT WAS IMMEDIATELY EATEN IN A SINGLE BYTE AND AS IT WAS DIGESTED HE HAD TO CONFRONT MUCH TROUBLES THROUGH MUCH SHAKING OF BURNING ACID AND OTHER SORTS OF TORTURES THAT HE THOUGHT IT WAS SOON FOR HIM TO BE OVER BUT THEN AGAIN IT WAS CALM AND PEACEFUL AND MUCH NOURISHMENT WAS TO BE ENJOYED AND WHAT AN INCUBATION OF FULFILLING SERENITY IT WAS AN INCUBATION BECAUSE IT WAS TOO QUICK TO BE OVER AS AN AWFUL COMPRESSION WAS SUDDENLY RECOVERED THROUGH A LONG AND DREADFUL JOURNEY OF MUCH PRESSURE AGAINST IT IN SO MUCH THAT HIS SO WELL ACHIEVED INTELLECTUAL FACULTIES WERE SET IN HIGH DANGER AND PROBABLY IRREPARABLY DAMAGED AND IT WAS IN A STATE OF TOTAL COMA THAT THE DOLPHIN'S BRAIN WAS RELEASED AND FLUSHED AWAY TO A EVEN MORE DREADFUL JOURNEY AS THE PASSAGES OF THIS WERE NOW MUCH HARDER AND VIOLENT AND SO EXTRUDED HE WAS WHEN HE WAS FINALLY LET IN PEACE AND SO AMAZED HE

WAS TO FIND HIMSELF BACK IN HIS HABITAT THAT IT TOOK JUST A LITTLE TO REDEVELOP IN AN ACTUAL DOLPHIN ONCE MORE ALTHOUGH THIS TIME HE COULDN'T REALLY DO ALL THE ACROBATICS HE WAS USED TO NOR THE ACTUAL WATER FELT SO CLEAN CAUSE IT WAS REALLY MUDDY INDEED AND STINKING IT WAS TOO IN SO MUCH HE SO MUCH REGRETTED TO HAVE A NOSE SO LONG AND IN SUCH CONDITIONS HIS BRAIN ONCE AGAIN DEGENERATED AND HE WAS NOT MUCH ABLE TO THINK OTHER THAT HE UNDERSTOOD THAT HIS ONLY HOPE WAS REALLY TO GET CAUGHT AND CANNED AGAIN AND SO MUCH FOR THAT HE KEPT HOPING ALONG THE STINKYNESS OF SUCH WATER THAT SO MUCH WAS RETARDING HIM IN THE HEIGHT OF HIS INTELLECTUAL FACULTIES DRAWN IN THE GOLDEN OF OIL THAT NOW HE SO MUCH LONGED FOR BUT WAS NEVER REALLY TO RETURN UNLESS AGAIN HE WOULD BE CAUGHT AND THAT WAS THE ONLY THING THAT KEPT HIM GOING DOWN THE STINKY STREAM IN SUCH A NON SENSE OF DILUTED LITTER THAT THE MORE HE FLOWED THE MORE HE SEEMED TO ENCOUNTER AND AGAIN HE WAS COMPRESSED DOWN THE EVER NARROW AND ENDLESS PASSAGE AND THAT WAS HIS DESTINY HE THOUGHT FOR THE LAST TIME BEFORE HIS BRAIN GOT TOTALLY REDUCED INTO A SINGLE MESSAGE TELLING HIM REPETITIVELY TO GET CAUGHT AND GET CANNED AS THAT WAS REALLY HIS ONLY HOPE AND

NOTHING ELSE NOT EVEN THE OPEN SEA WHICH HE SOON APPROACHED AND SOON CLEANED HIM AND SOON TURNED HIM INTO A PROPER DOLPHIN ONCE MORE BECAUSE NOW HE WAS FINALLY FREE TO ENJOY AND SWIM AND TRAIN AGAIN HIS ACROBATICS AND BE THOUGHTLESS AND COMPLETELY HIMSELF AS IT USED TO BE AND EVEN BETTER YET HE COULDN'T THINK NOR UNDERSTAND THAT BECAUSE IN SUCH A FREEDOM THERE WAS NOTHING TO UNDERSTAND BUT ONLY TO ENJOY AND SO MUCH HE JUMPED THAT SOON HE WAS REALLY GOOD AND AGILE AND WHEN IT FINALLY CAME THE TIME THAT HE MET A GROUP OF OTHER CREATURES OF HIS KIND THESE WERE REALLY IMPRESSED BY THIS DOLPHIN WITH LARGE STAINS AND STINKY YET VERY AGILE IN HIS PARTICULARLY COMPRESSED SHAPE SO MUCH THAT ALL THE FEMALE DOLPHINS DESPITE HIS SMELL WERE ALL GOING FOR HIM IF THEY COULD AND SOON HE HAD MANY FEMALE FOLLOWERS YET SO MUCH WAS INTO JUMPING THAT THEY REALLY HAD TO MAKE A COLLECTIVE EFFORT BEFORE HE COULD ACTUALLY GET ONE OF THEM LAID AND SO IT WAS THAT HE DISCOVERED THAT IT WAS JUST LIKE JUMPING AND TOOK EVEN THAT HABIT IN SO MUCH THAT IT WAS NOT LONG BEFORE HIS FOLLOWERS MULTIPLIED AS SO MANY WHERE THE PUPPIES THESE DOLPHIN LADIES WERE UNDOUBTEDLY HIS AS STINKY AND STAINED THEY WERE LIKE HIS FATHER JUST SMALLER THAT SOON MADE A VERY

DISTINGUISHED GROUP AT EVERY DEPTH OF THE OCEAN AS NO OTHER KIND OF FISH WANTED ANY SORT OF CONTAMINATION FROM THEM AS VERY CONTAMINATED THEY LOOKED INDEED AND SO EASILY DISTINGUISHABLE NOT ONLY FROM THEIR STAINS AND FOR THE THE STINKY WATER THEY MADE BUT PARTICULARLY FOR THEIR TURBULENCE OF A MUCH NOISY CROWD AND ONE DAY IT REALLY HAPPENED THAT THEY WERE RUNNING AFTER SOME MINOR FISHES WHEN THESE VERY FISHES IN FRONT OF THEM WERE CAUGHT BY A NET AND INSTEAD OF RETREATING AWAY HEARING THEM SCREAMING SO LOUD THE FATHER DOLPHIN WAS SUDDENLY REMINDED OF HIS DELIGHTFUL EXPERIENCE OF ACTUALLY BEING CAUGHT AND WITH NO HESITATION GOT ALSO INTO THE NET AND SO ALL THE REST OF ALL THE STAINED SMALL DOLPHINS BECAUSE THEIR MOTHERS WERE NOT ALL THAT CRAZY FOR LOVE TO FOLLOW HIM INSIDE A SECURE DEATH AND LET THEM GO AND STOPPED OBSERVING THEM BEING PULLED UP IN A LARGE CLUSTER NOT TO EVEN SEE THEM AGAIN THEY THOUGHT EVEN IF THEIR BRAIN WAS SO LITTLE THAT THEY SOON FORGOT AND KEPT SWIMMING IN THEIR PURPOSELESS WAY WHILE THE CARGO WAS LOADING ITS HEAVY CAUGHT AND IMMEDIATELY AS IT ALREADY HAPPENED START PROCESSING THE FISH ON BOARD AND HOW HAPPY HE WAS THE FATHER DOLPHIN EVEN IF HE

FELT SUFFOCATING YET ASSURING HIS DOLPHIN KIDS THAT THEY WERE SOON GOING TO BE EXHILARATED AND NOT TO WORRY ABOUT ALL THE CHOPPING AND DRILLING AND SAWING THAT SOON THEY WERE REALLY TO FEEL AND EXPERIENCE A TOTAL PEACE OF THEIR SENSES AND THERE WAS NOTHING TO REGRET BUT ALL TO BE GAINED IN SUCH INDESCRIBABLE PEACE WHICH INDEED WAS NOT TO OCCUR BECAUSE AS HALF SLAUGHTER AND HALF ALIVE THEY WERE PLACED IN A REFRIGERATOR THAT HALF FROZE THEM YET STILL KEPT THEM ALIVE ENOUGH TO SUFFER THE CHILL AND THE TOTAL HALF AGONY OF THEIR TOTAL HALF MUTILATION WHICH WAS IN SUCH A WAY FROZE AND WHAT A SHOCK FOR THE POOR WILD BABY DOLPHINS IT WAS AND PARTICULARLY FOR EACH ONE OF THEM THAT COULDN'T TALK AND THOUGHT THAT SUCH AN AGONY WAS WHAT THEIR BELOVED FATHER TALKED ABOUT YET BELOVED HE WAS NO MORE AND EVERY ONE IN EACH OF THEIR HALF CUT AND HALF ALIVE PIECE WAS POISONED BY THE PROFOUND HATRED OF SUCH A DISGRACEFUL CONDITION WHICH SEEMED NEVER ENDING BECAUSE DESPITE OF THEIR PARTS AT THE END OF THE BOAT JOURNEY THEY WERE ALL MIXED TOGETHER IN ONE BIG PILE AND DIVIDED INTO SMALLER REFRIGERATORS GOING SEPARATELY FOR A NEW JOURNEY WITH DIFFERENT DESTINATIONS WHERE THE BIG OFFSPRING OF THE STAINED AND STINKY IF NOT HIGHLY

CORRUPTED DOLPHIN WAS DISTRIBUTED WITH THE VERY PARTS OF HIMSELF THROUGHOUT A LARGE COUNTRY WHERE SOON THEY DISCOVERED THAT THEY WERE GOING TO BE EATEN ALIVE CHOP BY CHOP WITH STICKS HELD BY CAT FISH LIKE LOOKING HUMANS OF NO MERCY AS EACH PART OF THESE POOR STAINED AND STINKY DOLPHINS WAS EATEN BY ALL THIS CATFISH LIKE HUMAN POPULATION AND EACH PART HAD TO STRUGGLE SO MUCH IN THE CONGESTED INTESTINES OF THE LATTER AS SUCH INTESTINE WAS INDEED REJECTING SUCH CORRUPTED ELEMENTS THAT ONCE ALREADY WERE ORIGINATED BY HUMAN FAECES EVEN THOUGH THESE HUMAN WAS OF A DIFFERENT KIND AND SO MUCH NOW IT WAS THE INTESTINE OF THESE CAT FISH LIKE HUMANS TO SYNCHRONOUSLY REJECT IN THE MOST CONVULSING STATE SUCH CORRUPTION OF CORRUPTION THAT THE ENTIRE POPULATION COULD NO LONGER STAND THE PAIN AND TRY EVERY POSSIBLE OF THEIR VERY MANY REMEDIES YET THE ONLY ONE SEAMED NOW FOR THE MOST CLEAR AND PERFORM WHAT WAS TO BE THE ONLY WAY TO GET RID OF THIS ACUTE AND OVERLY PAINFUL INTRUDER AND SO IT WAS THAT EVERY OF THIS CAT FISH LIKE HUMANS INDIVIDUALLY TOOK THEIR WAY INTO NATURE LIKE DYING CATS AND CUT THEIR BELLY THROUGHOUT AND THEIR INTESTINES CAME OUT SO SWOLLEN AND INFECTED AND

STAINED AND STINKY THAT SOON INVADED THE WHOLE OF THE INLAND AND LIKE LAVA SLOWLY GOT BACK INTO THE SEA WHICH ALREADY WAS IN ITS WAY POLLUTED BUT NOW PARTICULARLY NOW SLOWLY BECAME A COMPLETE MUD AND OF SUCH DENSITY THAT SOON EVERY UNDER WATER CREATURES GOT STOCKED IN THEIR POSTURE AND THEIR LIVES GOT REALLY MUCH SLOWER AS THEIR MOVEMENTS WERE SO MUCH IMPEDED BUT NOT FOR THE DOLPHINS WHICH SOON BECAME CAPABLE OF CONSTRUCTING TUNNELS IN THE MUD AND RAPIDLY MOVE WITHIN THEM LIKE RACING MOLES WHICH INDEED SOON LOST THEIR SIGHT AND SOON INHERITED THE CHARACTERISTICS OF SUCH A STINKING AND STAINING MUD AND THAT IS THAT ALL OF THEM BECAME AS THEIR PATRIARCH A STAINED STINKY DOLPHIN.
