

AND WE HAD A CROCODILE ONCE AND WITHOUT TEETH HE WAS BORN AND NO ATTACK HE COULD DO BUT WITH THE HELP OF HIS MOTHER AND MUCH WAS THE CHEWING AFTER SHE PROVIDED HIM WITH FRESH FOOD THIS UNTIL HE GREW TO A FULL LENGTH CROCODILE A VERY FINE ONE AND SHE GREW OLD AND SOON TOOTHLESS YET SO FINE HE WAS THAT WITH NO DELAY HE MADE HIMSELF TO BE ELECTED KING AMONG ALL OTHER CROCODILES THAT HAD NO RESERVATIONS AS SO FINE OF A CROCODILE HE WAS INDEED YET NEVER HE WOULD SMILE TO THEM THIS NOT TO REVEAL HIS TOOTHLESS MOUTH BUT HIS NEVER SMILING WAS IN FACT THE KEY TO HIS SUCCESS AS MOST SEVERE HIS FACE LOOKED AND NO CROCODILE DARED ANY DISOBEDIENCE AND MOST LOYALLY SERVED HIM AND FEARED HIM AND WONDERED ABOUT HIS ENDLESS CHEWING WHICH IN THE END THEY THOUGHT TO BE AN ARISTOCRATIC FEATURE AND THEMSELVES TRIED TO IMITATE AS HE THE CROCODILE RULER WAS NOW THE MODEL FOR ALL AND ALL CROCODILES WERE NOW SLOWLY CHEWING AND NEVER SMILING BUT LOOK MOST SERIOUS SO THAT THEIR RESPECT WAS GAINED AMONG ALL OTHER CREATURES AND THEY TOO BECAME REALLY FEARED FROM EVERYONE IN SO MUCH THAT THEY ACTUALLY ALL TOOK UP THAT ROLE OF BEING FEARFUL BUT THAT WASN'T REALLY A GOOD THING AS HUNTING BECAME MUCH MORE DIFFICULT

IF NOT IMPOSSIBLE A THING AS VERY SLOW OUR CROCODILES THEY WERE AND MUCH COMPLAIN WAS ADDRESSED TO OUR MAJESTY THE TOOTHLESS CROCODILE THAT TO ALL THIS COULD NOT BUT BITTERLY SMILE IN FRONT OF EVERYONE AND EVERYONE SAW WHAT SO MUCH HE HAD TILL THEN KEPT HIDDEN AND EVERYONE UNDERSTOOD HOW WORTHLESS THEIR KING WAS WITH NOT EVEN A SINGLE TOOTH AND MUCH OF A BEATING THEY GAVE HIM THAT ALL PROTUBERANT HE WAS IN THE END AND SO MUCH BEATING THEY KEPT GIVING HIM THAT NOT ONLY HIS BODY BECAME MUCH LONGER BUT ALSO HIS SKIN GOT HARD AS THE HARDEST OF ARMOURS AND MUCH HIDDEN HE HAD TO KEEP FROM THE GROUP AND IN THE DIRTIEST OF WATERS NOT TO BE SEEN AND ALWAYS ALERT YET VERY HUNGRY AND MUCH DISFIGURED BECAUSE OF HIS ONLY DEFECT A SMALL IMPERFECTION AMONG SO MUCH PERFECTION BECAUSE PERFECT HE WAS AND HANDSOME CROCODILES THEY WERE BUT NOW HE WAS TURNED INTO A MONSTER A RAVING MONSTER THAT SO OBSESSED IN HIS OWN IMPERFECTION GOT FULLY IMPERFECT AND MUCH HE GOT HUNGRY THAT TEETH AT LAST HE GOT AND WHAT SHARP AND LONG AND DANGEROUS TEETH WERE NOW POPPING OUT OF HIS ONCE DELICATE AND SWEET MOUTH THAT SO MUCH BEATING HAD TRANSFORMED IN SUCH REVOLVING MONSTROSITY THAT DID NOT STOP IN FRONT

OF EVERYTHING AND EVERYTHING SMASHED OFF FOR AT LEAST A TASTE AND THAT WAS ALSO THE END OF OUR OTHER CROCODILES BEAUTIFUL CREATURES AS THEY WERE THEY TOO GOT SOON MUTILATED AND SWALLOWED WITHOUT ANY CHEWING INTO THE BELLY OF A MONSTER THEY DID NOT EVEN RECOGNIZED BUT QUITE SOON ALL THIS FINALLY CEASED AS OUR CROCODILE MOST SWOLLEN HE WAS THAT HE HAD TO LAY IN THE MUD AND TRY TO DIGEST EVERYTHING HE HAD SO VORACIOUSLY EATEN YET HIS STOMACH WAS NOT USED AND HE RESOLVED TO THROW UP EVERYTHING WITH ALL THE INTESTINAL ACID THAT HIS BODY HAD GENERATED AND THERE IN THE SAME POND WHERE HE WAS EVERYTHING WAS Poured OUT AND THE ACID TOO AND EXHAUSTED HE NOW FELT OUR FLATTENED CROCODILE THAT HE REALLY LAID THERE HALF DEAD WITH STILL THE PARTS OF HIS CROCODILE MATES SHAKING ALIVE AND WHEN HE WAKE UP HE COULD NOT BELIEVE HIMSELF AS NOW ALL THESE PARTS WITH THE GLUEING EFFECT OF THE ACID AND DRYING EFFECT OF THE SAND ALL THESE OTHER CROCODILE PARTS WERE NOW ATTACHED THROUGH OUT HIS LONG BODY AND LIKE A THOUSAND FEET WORN HE NOW KEPT WALKING UP ALL THE BED OF THE VERY LONG RIVER CROSSING THROUGH THE MOST DESERTED AND DESOLATED REGIONS WERE ANYTHING ALIVE WAS SEIZED BY HIS LONG BYTE AND SWALLOWED ALL ACROSS

HIS VERY LONG BODY THUS NOURISHING ALL HIS NOW MANY EXTENSIONS WHICH KEPT MOVING AND MOVING TILL SLOWLY EVEN OUR LONG AND MUCH EXPERIENCED CROCODILE GOT OVERCOME BY THE IMPOSSIBLE HEAT OF THE DESERT AND THERE HE LAID AS A FOSSIL UNTIL A GREAT FLOOD OCCURRED AND HE REGENERATED HAVING HIS EXTENSIONS WORKING AS PADDLES OF A MOST EFFECTIVE SHIP DEVOURING ALL THAT THE WATER HAD REGENERATED AND YET BEING HIMSELF PUSHED BACK BY A CURRENT THAT KEPT INCREASING UNTIL THERE WAS NOTHING TO BE DONE AND LET GO BACK TO THE HEART OF THE DESERT WHERE AGAIN THE WATER DISSIPATED FIRST BLOSSOMING THE SAND AND GETTING OUR MULTI EXTENDED AMPHIBIOUS OUT OF THE WATER AGAIN BUT SOON EVEN THAT VEGETATION THAT HAD NEWLY BLOSSOMED TURNED OFF AND AGAIN THE HEAT PREVAILED AND AGAIN OUR CROCODILE NOW FOSSILIZED AND THIS WAS FOR LONG TILL HUMANS INVENTED A VERY EFFICIENT IRRIGATION AND TURNED THE DESERT INTO A MAGNIFICENT AND ALWAYS GREEN GARDEN WHERE TO FURTHER EXPAND THEIR DWELLINGS YET UNAWARE OF THE LARGE FOSSIL THAT THEY WERE RAPIDLY REVIVING AFTER SO MANY ERAS OF CRYSTALLIZED STILLNESS WHICH NOW WAS PROGRESSIVELY BEING BROKEN LIKE A REPTILE IN HIS EGG BUT THIS TIME THE EGG WAS A GIANT FOSSIL AND OUR REPTILE WAS BORN WITH

THE MOST TERRIFYING SCREAM THAT THE POORLY CONSTRUCTED DWELLINGS OF OUR HUMAN INHABITANTS SOON FELL AND IN A STATE OF PANIC OUR HUMANS GATHERED AND THEN SOON DISPERSED SEEING THE AWFUL MONSTER YET OUR MONSTER CROCODILE HAD NO INTENTION TO ATTACK THEM BUT LIKE A NEWLY BORN BABY HE NOW IDENTIFIED HIS VERY MOTHER IN THAT VERY CROWD ESCAPING FROM HIM AND THAT VERY CROWD HE SOUGHT TO CARE UNTIL THEY ALL SURRENDED TO THEIR DESTINY WHICH INDEED WAS NOTHING BUT THE CARE OF A MONSTER BABY WHO DESPERATELY NEEDED THEM AND THEY INDEED UNDERSTOOD HIM AT LAST IN THEIR PANIC THEY REALIZED HE WAS JUST A BABY AND MUCH CARE OUR MONSTROUS CROCODILE NEEDED FROM THEM THAT AT ONCE THEY SET TO WORK AND LIKE CARING MOTHERS THE WHOLE HUMAN COMMUNITY DEDICATED ITSELF IN THE VERY DEMANDING CARE OF HIM AND ENGAGED ALL NECESSARY MACHINERY AND EQUIPMENT TO FACILITATE ALL THE PRACTICALITIES AND MUCH THOUGHT WAS GIVEN AS TO HOW TO EDUCATE HIM AND THUS MUCH INNOVATION WAS NOW BROUGHT TO MAKE HIM A MOST PROPER AND WELL BEHAVED HUMAN CROCODILE WHO AFTER MUCH WORK HAD FINALLY LEARNT TO REPRESS HIS WILD INSTINCTS AND AFTER MUCH CARE MOST BEAUTIFUL HE BECAME BY THE TIME HE GREW A TEENAGER AGAIN YET BY THAT TIME ONE

THING AROSE THAT WAS MOST UNEXPECTED AND INDOMITABLE AS HE OUR FULLY GROWN CROCODILE HE NOW GREW THE MOST IRREPRESSIBLE OF FEELINGS AS HE NOW WANTED REALLY BADLY TO REPRODUCE HIMSELF AND NO PRECAUTIONS HAD HUMANS TAKEN AGAINST THIS AND HE LIKE IN A RAPTUS WAS NOW TAKING OVER ALL THOSE THAT WITH MUCH LOVE HAD TAKEN CARE OF HIM AND MUCH IN A RAGE HE WAS TO DISSEMINATE HIS SEXUAL FRUSTRATION THAT NO CHOICE WAS LEFT BUT TO USE THE MOST LETHAL OF WEAPONS AND EXTERMINATE HIM YET EVEN THIS DID NOT PREVENTED THE SO RAPED FERTILE HUMANS TO MONSTROUSLY GROW THEIR BELLIES AND CRACK OUT LIKE BREAKING EGGS MERMAIDS LIKE HUMANS WITH THE ONLY DIFFERENCE THAT IN THIS CASE THEIR TALE WAS NOT THAT OF A FISH BUT THAT OF A CROCODILE AND IN THEIR HALF HUMAN RESEMBLANCE THE ACTUAL HUMANS DID NOT EVEN ATTEMPTED TO EXTERMINATE THEM LIKE THEIR FATHER BUT TO THE CONTRARY THESE CREATURES WERE SO SWEET AND LOVELY AND TINY THESE CREATURES WERE THAT OUR FULL SIZE HUMANS COULD NOT BUT KEEP THEM AND TAKE CARE OF THEM AND DISTRIBUTE THE ONES IN EXCESS TO THE REST OF HUMANS WHICH WITH GREAT DEMAND THEY ACCLAIMED THESE LITTLE CREATURES THAT WHEN THERE WERE NO MORE OF THEM TO BE DISTRIBUTED OUR SMALL SURVIVING COMMUNITY NOW THOUGHT OF

MAKING A BUSINESS OUT OF IT AND TAKEN ALL THE NECESSARY PRECAUTIONS THEY DID INDEED GREW THESE HUMANS CROCODILES TO FULL SCALE AND THEN NOW ALL THE NECESSARY PRECAUTIONS WERE TAKEN AND THE MALE CROCODILE HUMAN CREATURES WERE READILY DISPOSED WITH THE FEMALE COUNTERPART WHICH INDEED WAS NOT SO EASY TO DOMINATE AND NOW MOST FULLY SATISFIED THEIR SEXUAL NEED AND SO SMOOTHLY THAT AS EVERYTHING WAS PLANNED BY OUR EXPERIENCED COMMUNITY THE MUCH WANTED HUMAN CROCODILE PUPPETS CAME SOON TO LIVE AND IN MUCH QUANTITY THAT MUCH PROFIT WAS MADE BY OUR COMMUNITY OF HUMAN SURVIVAL AND MUCH WAS NOW THE DISTRIBUTION AROUND THE WORLD YET WITH NO PRECAUTION TAKEN AND ALL OUR HUMANS IN THE MOST DISPERSED PART OF THE WORLD NOW WERE OFTEN SEEN WITH NO LONGER THE USUAL PETS ON THEIR LEASH BUT WITH THE CUTER AND AT THE SAME TIME MORE AGGRESSIVE HALF CROCODILES HALF HUMAN PETS TO WHICH THEY GOT LIKE BABIES THAT NO DEMANDS OF THEM WAS TURNED DOWN AND THUS WHEN ALSO FOR THEM THE TIME CAME TO FULFIL THEIR SEXES AND HAVE THEIR INTERCOURSES THE BLENDING OF RACES GOT ONCE AGAIN UNAVOIDABLE ON BOTH SEXES THIS TIME AND SO IT OCCURRED TO THE POINT THAT SOON THE PURE HUMAN RACE WAS NO MORE AND AMPHIBIOUS THE NEW SPECIE NOW

RETIRED BACK TO THEIR SEMI AQUATIC ENVIRONMENT AND SLOWLY RINSED OUT THE SEMI-HUMANITY THAT WAS LEFT OF THEM YET ONCE EVERY SOME GENERATIONS A MORE HUMAN LIKE BABY WAS STILL BORN AND HE WAS UNDOUBTEDLY MADE KING ABOVE ALL CROCODILES FOR HE OR SHE WAS INDEED THE MOST BEAUTIFUL YET ONCE AGAIN AS IT OCCURRED ONCE MORE HE OR SHE COULD NOT REVEAL HIS OR HER IMPERFECTION THAT IS THE LACK OF PROPER TEETH WHICH EVERY CROCODILE MUST HAVE AND AS HE OR SHE WERE ULTIMATELY CAUGHT WITH THIS DEFECT THEY WERE PROMPTLY BEATEN AND THIS TIME KILLED AND AS THE STORY GOES EACH OF THE HUMAN TIES INSIDE OUR CROCODILE CREATURES WERE SLOWLY EXTERMINATED AND THIS ALMOST FOREVER.
