

A CRAB A MOST STUBBORN CRAB HE WAS LIVING IN THE HARDEST STREAM WALKING PERPENDICULARLY TO IT WITH ALL HIS ARMOR PROTECTING HIS STOIC WILL WITHIN AND ALL THAT CAME SHOOTING AGAINST HIM BY THE CONTINUOUS FORCE OF A STREAM THAT HE WAS REALLY NOW THE ONLY ONE TO RESIST IN HIS SIDE WALKING WHICH ALLOWED HIM TO ALWAYS BE FACING SUCH CURRENT FACE TO FACE AND FOREVER ALERTED OF ALL THAT WAS COMING WITH IT SOMETIME DANGEROUS YET SOMETIME A MOST EATABLE ITEM AND THAT HE WOULD IN HIS TOTAL FOCUS HE WOULD VERY WELL DISTINGUISH TO CATCH AND NOURISH OF FOR VERY HEAVY HE REALLY HAD TO BE IN ORDER TO ANCHOR HIMSELF AT THE VERY BOTTOM YET NOT TOO HEAVY INDEED HE COULD BE BECAUSE THAT VERY STREAM WAS INDEED AFFECTED BY A STRONG TIDE AND HE REALLY NEEDED TO BE LIGHT WEIGHT WHEN ALL THE WATER WAS GONE AND HE BECAME MOST VULNERABLE TO ALL THOSE KIDS PULLULATING THE AREA AND VENTURING WITH THE LOW TIDE TO HUNT AND IN PARTICULAR HUNT OUR POOR CRAB WHO FOR THE PURPOSE REALLY NEEDED TO BE VERY LOW WEIGHT AND RUN AS FAST AS HE COULD AWAY FROM THOSE LITTLE DEVILS WHICH OFTEN GOT THE BEST OF HIM AND THEN HE REALLY HAD TO PLAY THE PART OF THEIR CAPTIVATED TOY AND KEEP IN THE HABITAT THEY WOULD CREATE FOR HIM AND ENDURE

TRYING NOT TO BE INJURED AS IT ONCE INDEED HAPPENED AND HE LOST ONE OF HIS CLAWS AND THAT MADE INDEED LIFE EASIER FOR HIM BECAUSE FOR ONCE WHEN THE TIDE CAME AND THE DEVILS WERE TAKEN AWAY BY THEIR PARENTS HE COULD FOR ONCE IN HIS ASYMMETRICAL UNBALANCE HE COULD WORK STRAIGHT AT LAST WITHOUT ANY MORE SIDE WALKING AND MUCH STRONGER HE ALSO BECAME IN HIS REMAINING CLAW WHICH GREW DISPROPORTIONAL AND NOW REALLY EVEN WITH THE LOW TIDE NO KID WAS ABLE NOR DARED TO HUNT HIM AS MOST POWERFUL HIS GRIP WAS AND THAT COULD REALLY FRACTURE ANY OF THE STICKS AND NETS AND TRAPS THOSE DEVILS TRIED TO CATCH HIM WITH AND NOTHING NOW WAS REALLY TO STOP HIM AND OUR NOW POWERFUL CRAB KEPT KEEPING HIS WAY CLEAR AND CLAMP ANYTHING COMING HIS WAY NOW THAT NO LONGER HE WAS GOING FROM ONE SIDE TO THE OTHER OF THE STREAM BUT HE WAS GOING RIGHT UP AGAINST IT AND THROUGHOUT ITS LONG LONGITUDE CLASHING ANYTHING HE WOULD FIND HIS WAY AND FREEING HIS PATH AND THE PATH BEHIND BEING FREED SUDDENLY RELEASED ALL THE UPSTREAM WATER OF ANY PRESSURE FROM THE DOWN STREAM WATER AND NO STREAM REALLY WAS LIFT AND IN SO LITTLE OPPOSITION OUR CRAB COULD NOW OPPOSE TO ANOTHER FORCE THAT WAS THE GRAVITY OF THE GIANT MOUNTAIN

WHERE ALL THIS STREAMING ORIGINATED AND REALLY NO ISSUE HE FACED AS THERE HE COULD EASILY GRASP ON THE MANY TREES WHICH ACTUALLY GOT THINNER AND THINNER TO THE POINT THAT THEY COULD NOT REALLY SUPPORT HIM ANYMORE YET NOW HE WAS REALLY ALMOST TO THE VERY TOP BUT BEING UNABLE TO PROCEED WHICH REALLY WAS AGAINST ANY OF HIS STUBBORN PRINCIPLES HE NOW DECIDED TO MAKE HIS BIGGEST EFFORT AND ACTUALLY TAKE HIS NOW VERY POWERFUL CLAW AND CHOP OFF THE VERY MOUNTAIN TOP IN SO MUCH THAT NOW EVEN AIRPLANES COULD FINALLY FLY ON TOP OF IT AND WITHOUT HESITATION AT LAST OUR CRAB SEEING THE HEIGHT THESE PLANES REACHED HE COULD NOT BUT INSTINCTIVELY TAKE A HOLD OF THEM AND LEAVE HIMSELF BE CARRIED BY THE VERY WING HE HAD GRASPED TO REALLY AMAZING ELEVATIONS AND THROUGH MAGNIFICENT PLACES OUR CRAB HAD NEVER REALLY SEEN SO MUCH CONCENTRATED HE HAD BEEN THROUGH OUT HIS STUBBORN EXISTENCE OF GOING FROM ONE SIDE TO ANOTHER OF THE CURRENT AND FINALLY NOW AT LAST BEING ABLE TO GO RIGHT AGAINST IT AND BEYOND OVER THE SKY WHO WOULD HAVE SAID AND YET IN THIS LONG FLIGHT NOW THE CLOUDS THEMSELVES REALLY TEMPTED HIM AND HE WANTED TO PINCH THEM AND SEE HOW THEY FELT BUT ALL THROUGHOUT THE TRIP HE COULD NOT AS

REALLY THE OTHER CLAW OF HIS WAS MISSING YET THE FEELING OF THAT HE COULD IMAGINE AND IT WAS IDYLIC UNTIL THE ACTUAL PLANE STARTED LOSING HIS ELEVATION AND ENDING DOWN TO THE FIRM LAND AND THAT OUR CRAB DID NOT REALLY LIKE BUT WHAT TO DO AND HE WAS SOON THROWN OFF THE TRACK AND OFF HE WENT ONTO THE VERY TRAFFICKED STREETS OF HUMAN BEINGS AND THERE HIS DESTINY OF GOING SIDE WAYS FROM ONE TO THE OTHER SIDE OF THE STREAM WAS NOW REESTABLISHED AND ALSO THERE NOW HE HAD TO GO PERPENDICULAR TO A STREAM THAT AT FIRST SEEMED FAR MORE DANGEROUS BUT IN THE END EXPERIENCING ONE OF THIS HUMAN VEHICLES PROJECTED RIGHT AGAINST HIM AND SEEN THE DISASTER IT PROVOKED THAT REALLY BECAME HIS PASSION OF BEING RUN OVER AND CAUSING TERRIBLE CONGESTIONS OF THESE VEHICLES CAPSIZING IN FULL SPEED AND CRASHING IN THEIR TERRIBLE LANDING THAT WOULD COMPRESS AND SQUEEZE THE METAL LIKE A CAN OF SODA BUT EVEN THEN OUR CRAB FOUND HIS ENJOYMENT BY AGAIN USING HIS CLAW TO RESCUE THE POOR VICTIMS INSIDE BEFORE ANY AMBULANCE WOULD COME AND THIS WAS REALLY AT THE END NOTICED BY OUR HUMANS AND OUR LITTLE TERRORIST CRAB WAS SOON MADE A HERO AND BECAME PART OF THE SPEEDIEST EMERGENCY TEAM THAT WOULD REALLY PROMPTLY INTERVENE TO

RESCUE THE MANY VICTIMS OF THE MANY ACCIDENTS AROUND THE WIDE NATION AND REALLY THAT DUTY FOR A WHILE SUITED OUR CRAB WHO AGAIN REALLY ENJOYED FLYING AND NOW PARTICULARLY SPINNING AROUND THE HELIX OF THE RESCUE HELICOPTER AND THEN SET TO OPEN THOSE CHUNKS OF METAL AND INDEFINITELY DISCLOSE THE HUMAN INSIDE WHETHER ALIVE AND WHOLE OR ALIVE AND AMPUTATED OR JUST DEAD HE WOULDN'T REALLY CARE ABOUT THAT AND IN THESE FRIGIDNESS AND LUCIDITY HE KEPT ON STUBBORNLY ON HIS DUTY WITH THE ONLY RELIEF OF THE HELICOPTER RIDE WHERE HE WAS ALLOWED ALL THE VENTILATION HE WANTED BUT ONCE THE JOB AS A WHOLE BIG TRUCK HAD CRASHED AND HE FIRST SAT TO FREE THE HUMAN DRIVER AND THEN HE WENT OFF TO THE CARGO AND USED HIS PONDEROUS CLAW TO CUT THROUGH THE METAL AND TO HIS SURPRISE FIND OTHER BOXES OF METAL MILLIONS OF THEM AS THAT WAS A CARGO OF CANS AND INSTINCTIVELY SAT FORTH TO OPEN ITS CONTENT WHILE THE HUMANS WERE TAKING CARE OF THE WOUNDED HUMAN HE GOT INTO OPENING THE CANS AND WHAT A SURPRISE TO FIND THEM FILLED OF GRIND CRAB MEAT HIS OWN MEAT AND HOW THAT REALLY AFFECTED HIM IN SUCH A WAY THAT NOW OUR CRAB COULD NOT SEE A THING OF SUCH A SLAUGHTER A HUMAN SLAUGHTER TO HIS VERY SPECIE AND THERE IN TOTAL

ANGER HE NOW RESOLVED TO COMMIT THE SAME SLAUGHTER ONTO THOSE VERY HUMANS AND THUS REVENGE HIS RACE AND HUMANS WERE REALLY SOFT TO TRUNCATE AND MANY TOO THEY WERE AND THIS KEPT HIM OCCUPIED MOST OF HIS TIME WITH THIS SOFT AND INCONSISTENCY BEINGS ALMOST AS SOFT AS THE CRAB MEAT HE DISCOVERED YET REALLY WITHOUT EVEN PUTTING THEIR ROTTEN MEAT TO PRESERVE BUT OUR CRAB COULD NOT BUT CONTINUE HIS BUSINESS WITHOUT BOTHERING OF SUCH NASTY MASS YET WITH ALL THESE SOFT BONES TO BREAK HIS MOST VIGOROUS CLAW TEMPERED BY ALL THE PREVIOUS HARDSHIP NOW STARTED LOOSING ALL THE STRENGTH AND REALLY BECOMING ONLY SUFFICIENTLY ABLE FOR THE LEAST EFFORT OF PINCHING OUT THESE HUMAN NECKS THAT REALLY IT NOW BECAME AS A MOST NEUROTIC TIC EVEN WHERE NO NECKS WERE LEFT TO PINCH AND ONLY THEN IN THIS ROTTEN MEATSHED OF HUMANS ONLY THEN HE REALLY FELT LIKE NEEDING TO BREAK MORE BONES AND GO BACK TO IT AND PINCH WHATEVER OF THE BONES THESE MASS PROVIDED AND THUS HE KEPT GRINDING THROUGH IT AND BREAKING DOWN ALL HUMAN PARTICLES TO THE POINT THAT THEY REALLY STARTED FLOWING AGAIN TOGETHER RECREATING THE VERY CURRENT AND STREAM THAT SO MUCH CHARACTERIZED HIS OFFSPRING THAT REALLY NOW HE DIDN'T REALLY FELT LIKE ONCE

AGAIN MOVING FROM SIDE TO SIDE OF THAT CURRENT AND FINALLY UNDERSTOOD THAT HIS ACTUAL PINCHING AND BREAKING DOWN OF FLOWING ELEMENTS WAS REALLY THE CAUSE THAT KEPT IT GOING AND NOW HE IMMEDIATELY DECIDED TO REPRESS HIS TEMPTATION OF BEING IN THE CURRENT CAPTURING WHATEVER IT DID PROJECT TO HIM AND FOR ONCE HE FINALLY RESOLVED TO GIVE HIS LAST PINCH TO RELEASE HIMSELF OF THE VERY CLAW THAT SO MUCH LABOR IT PROCURED HIM AND AT LAST SO HE RESOLVED TO DO AND SOON HE WAS IMMEDIATELY FLUSHED OUT OF THE CURRENT AND THAT VERY CURRENT AS PREDICTED STARTED COAGULATING AND REALLY AT LAST BECOMING A CRAB STICK JUST OF HUMAN CARTILAGE.
