

A DEAR DEER ALWAYS ACCOMPANIED BY HIS DEAR DEER FRIEND ALWAYS THOUGHTLESS AND JUMPING FAST THROUGH WHAT WAS LEFT OF THE FOREST AND IN SUCH A SPEED NOW CUTTING THROUGH IT EVERY TIME THOSE HUMANS' DOGS WERE BARKING AT THEM AND MAKING THEIR DELICATE HEART MOST POUNDING AND THEM MOST NEUROTIC OF ALL THAT RECURRENCE BUT AT NIGHT AND WITH THE FULL MOON AND EVENTUALLY THE SNOW TO REFLECT IT THEN FOR ONCE THEY WERE REALLY FREE TO FULLY GET IN TOTAL LOVE WITH EACH OTHER AND APPRECIATE THEIR ROMANCE WHICH WAS OTHERWISE GROWING WORN OF ALL THE DOMESTIC BEASTS YET LUCKILY THE NIGHT AND THE STARS WERE THERE LIKE ACUPUNCTURES TO HEAL ALL THAT HUMAN TRANSMITTED STRESS AND RELAX FOR ONCE AND HAVE SOME TIME FOR A MOST TENDER REVIVAL TILL EVEN THESE BRIGHT EVENINGS WERE OVER AND THEY HAD TO KEEP ON RUNNING FROM ALL THESE AGGRESSIVE NOISES AND FIND NOT REALLY ANY SHELTER NOR ANY DECENT TIME TO FEED FROM THE VEGETATION WHICH WAS GROWING THINNER AND THINNER WITH THESE HUMANS ALWAYS OBSESSED TO KEEP THEIR FOREST IN PERFECT ORDER WITHOUT ANY OF THE OVERGROWING WILDERNESS WHICH SO MUCH FACILITATED OUR DEER COUPLE TILL WINTER CAME PARTICULARLY WARM WITH ALL THE GREEN HOUSE EFFECT AND MUCH WAS THE

GREEN STILL LEFT FOR THEM TO EAT IN A TIME WHEN THEY USUALLY SUFFERED MUCH STARVATION BUT THEN SO MUCH THEY HAD TO EAT THAT THEY ALMOST REJOICED BY THE TIME THE SPRING CAME OUR DEAR LADY DEER WAS AT LEAST READY TO DELIVER THEIR FIRST LITTLE DEER EVEN IN THESE SEMICAPTIVE CIRCUMSTANCES THEY DID MANAGE TO PROLIFERATE AS TWINS THEIR LITTLE DEERS CAME TO LIFE AND WHAT A SURPRISE TO FIND THEM ALREADY TOTALLY ACCUSTOMED TO ALL THE URBAN MONSTROSITIES THAT SO MUCH SCARED OUR DEER PARENTS TO THE POINT THAT IN TOTAL INDIFFERENCE THE LITTLE DEER COULD STAND AND EAT THE FRESH LEAVES ALWAYS GROWING NEXT TO THE MOST TRAFFICKED HIGHWAY WHICH NO OTHER ANIMALS COULD REALLY TOLERATE TO STAND BUT REALLY SOON THE PARENTS REALIZED THAT THEIR DEAR TWINS WERE ACTUALLY TOTALLY DEAF AND LUCKILY HAD HUMANS TO BE MOST ALERT ABOUT THEM AND YET THEIR DEAF REALLY PREVENTED THEM TO BE AMONG THEM WITHOUT ANY FEAR OF THESE CIVILIZED CREATURES WHICH HAD FAR LONG CEASED TO BE HUNTERS AND REALLY LONGED FOR ANY INTERACTION WITH NATURE AND REALLY THESE WILD PAIR OF LITTLE DEERS BECAME A GREAT ATTRACTION AMONG THE COMMUNITY AND THEY WERE EVEN MOST TAKEN CARE OF AND PROVIDED WITH ANYTHING THEY REALLY NEEDED AND MOST FED IN FACT THEY WERE BY

ALL HUMANS PASSING BY THEIR APPOSITIVELY BUILT GARDEN WHERE SO MUCH THEY WERE PET THAT LIKE A BRONZE SCULPTURE THEY BECAME HARD AND SMOOTH AND MUCH GOLDEN OF ALL THE POLISHING OF ALL THESE SMALL AND BIG HUMANS GETTING DIRECT CONTACT WITH THEM TO THE POINT THAT TOO SLIPPERY THEY BECAME AND WERE SOON BANNED AFTER THE AUTHORITIES FOUND THEM TOO DANGEROUS AS NOW IMPOSSIBLE IT WAS TO RIDE THEM BECAUSE OF THEIR SLIPPERINESS AND SO IN THEIR INDIFFERENCE THE BRONZE TWINS JUST MOVED TO OTHER PASTURES AND HERE SOON LEFT WITHOUT ANY CARESSES THEY BEGUN AFTER ALL THE BAD WEATHER TO OXIDATE AND MUCH GREEN THEY INDEED BECAME TO THE POINT THAT TOTALLY MIMETIC THEY WERE AND UNDISTURBED NOW THEY COULD PASTURE OF THE BEST GRASS AMONG THE MANY CROWDS OF COWS WHO COULD NOT TAKE NOTICE OF THEM IN ALL THEIR GREENNESS AND SO WITHOUT ANY FEAR NOW THE DEER TWINS COULD FINALLY SETTLE AND WITHOUT MUCH RUNNING NOW MUCH OF A MASS THEY STARTED TO GAIN AND WITH THE COMING OF THE SUMMER ALL THE GRASS THEY HAD BEEN EATING STARTED FERMENTING AND SO MUCH GASES THEY PRODUCED THAT LIKE AIR BALLOONS THE DEER TWINS SLOWLY STARTED TO ELEVATE THEMSELVES IN THE AIR AND BE TRANSPORTED WITH ALL THE STREAMS HIGH ABOVE THE GROUND FROM

WHICH THEY COULD NOW CONTEMPLATE ALL ABOVE YET REALLY OUR HUMANS BELOW MOST DISLIKED THESE TWO ORBITING SPHERES AS LIKE TWO MOONS IN THE MIDDLE OF THE DAY THEY WERE RADIATING ALL THE SUN LIGHT AND MAKING THE HEAT UNBEARABLE AND REALLY NOW BURNING ALL THE PLANTATIONS BELOW THEM AND GENERATING MUCH FIRE AND FUMES WHICH EVENTUALLY EVAPORATED IN SUCH QUANTITY THAT A MOST TREMENDOUS STORM WAS GENERATED AND THE LIGHTINGS DIDN'T FAIL TO STRIKE OUR GRAVITATING DEERS WHO LIKE PINCHED BALLOONS NOW STARTED DEFLATING AND FLOATING IN ALL DIRECTIONS LIKE TREMENDOUS HURRICANES TWISTING AND SPINNING EVERYTHING BELOW AND ABOVE THEM AND IN SUCH A TURMOIL THAT IN THEIR RANDOM VORTEXING ALL THE EARTH WAS NOW TURNED UPSIDE DOWN AND FINALLY THEY PRECIPITATED FOR THE FIRST TIME AWAY FROM EACH OTHER ON TWO DIFFERENT CONTINENTS SEPARATED BY THE BIG OCEAN AND AFTER EXPERIENCING A CERTAIN AMAZEMENT OF BEING LEFT THE ONLY LIVING CREATURES IN ALL THE PLOUGHED SURROUNDING OUR DEFLATED DEERS NOW STARTED FEELING DEEPLY TOO SOLITARY AND NOW KEPT AT THE COAST LINES FACING EACH OTHER AND WITH STRONG INTENSITY SLOWLY NOW MANAGED TO TELECOMMUNICATE OVER SEA AND KEEP EACH OTHER IN GOOD COMPANY AND TRANSMIT ALL THEIR EMOTIONS FROM

THEIR TWO DIFFERENT LANDSCAPES THEY NOW HAD TO HANDLE AND SLOWLY ALSO NOW MOST ARTICULATED HORN STARTED TO GROW AND DEVELOP LIKE GIANT ANTENNAS TO BE ABLE TO TELECOMMUNICATE AND REPORT TO EACH OTHER EVEN ON THE MOVE YET THAT VERY INTIMATE CIRCUMSTANCE NOW BECAME TOO OBSESSIVE AND OFTEN NOW THEY STARTED TO ARGUE WITH EACH OTHER BECOMING MOST INTOLERABLE AND PUSHING THEM THE FURTHEST AWAY FROM EACH OTHER BUT BEING THE GLOBE ROUNDED THEY SOON MET EACH OTHER ON THE OPPOSITE SIDE WHERE THE TWO CONTINENTS ARE ACTUALLY TOUCHING AND IN THIS VERY CONNECTION OUR DEER TWINS WERE NOW RESOLVED TO RESOLVE THIS HEADACHE OF BEING CONSTANTLY IN THE OTHERS HEAD AND WITH NO HESITATION THEY CLASHED AND LIKE TWO OPPOSING POLARITIES MUCH OF A SHORT CIRCUIT THEY GENERATED TO THE POINT THAT MOST OF THEIR FACULTIES WERE NOW REALLY OUT OF USE AND THEMSELVES COULD NOT DISTRICTATE FROM THAT GROOVING UP OF THEIR HORNS NOW COMPLETELY ENTANGLED INTO ONE ANOTHER AND IN SUCH SEMI-PARALYSIS NOW OUR DEERS COULD NOT BUT REMAIN IN SUCH A POSTURE TILL REALLY THEY STARTED ROOTING WITH THE VERY EARTH AND THE HORNS NOW GERMINATING AND SOON EVEN FLOWERING AND IN THE TWO DIFFERENT DEERS WHICH COULD NOW POLLINATE EACH

OTHER AND PROLIFERATE SOON WITH A MOST DELICIOUS FRUIT WHICH GAVE IN TURN RISE TO A VEGETATION OF OTHER DEER LIKE TREES WHICH WERE NOW TO BE FOUND THROUGHOUT THE CONTINENTS TILL SOME ASTRONAUTS MADE THEIR RETURN TO MOTHER EARTH AND FOUND IT SO CHANGED AND BESIDE WITHOUT ANY LIVING CREATURES BUT THESE VERY TREES WHICH THEY LEARNED TO CUT AND BURN TO SELF ROAST AND EAT LIKE AN ACTUAL WILD ANIMAL HUNTED YET THESE TIME OUR ASTRONAUTS WHO WERE REALLY THE ONLY ONES LEFT ON EARTH HAD NOT MUCH TROUBLE FINDING OF THIS WILD AND NUTRITIOUS FOOD WHICH THEY ONLY NEEDED TO TAKE WHENEVER THEY FELT LIKE TILL THEY GOT TO CUT THE ACTUAL SOURCE OF ALL OF THEM OUR ACTUAL DEERS THAT SO RELEASED NOW ESCAPED IN FULL SPEED AND ACTUALLY STARTED RAIDING OVER ALL THE DEER TREE FOREST AND LIKE A PEST NOW EAT UP ALL THE SHOOT TILL REALLY OUT OF DESPERATION OUR ASTRONAUTS HAD TO PUT ALL THEIR GENIUS TO CAPTURE THEM AND DISMANTLE ALL THEIR SPACE SHIP TO BUILD A GIANT ROBOTIC DEER TO WHICH NOW OUR TWIN DEER HAD TO SUBDUE YET INDEED ON THE CONTRARY OUR TWINS NOW STARTED LOOKING FOR HER MAMMALS TO SUCKLE AND ALL THEY COULD FIND WERE THE MANY PRECIOUS STONES THE ASTRONAUTS HAD BROUGHT FROM THE MANY DIFFERENT PLANETS THEY EXPLORED AND

FILLED WITH THEM NOW THE ASTRONAUTS TOOK THE OCCASION TO DRAW THEM UNDER THE SEA AND PUSH THEM OFF THE SHORE AND THAT IS HOW THE CORAL REEFS ACTUALLY ORIGINATED WITH THEIR HORNS READY TO WOUND ANYBODY STEPPING ON THEM IN REVENGE FOR THEIR UNDERWATER CONFINEMENT.
