VAN PTERANDDON

A collage of various items including a Hot Wheels logo, a cartoon character, a book cover, and a newspaper clipping. The Hot Wheels logo is prominent in the center, with the text 'Hot Wheels' in its signature font. To the right, there's a cartoon character with a large head and a small body, wearing a blue and white striped shirt. Above the character is a book cover with the title 'TITANIC' and a picture of the ship. To the left of the character is a newspaper clipping with the headline 'Wet u dat zeken?' and a sub-headline 'De politie die ik voor al ben van die 1922-1923 Fam'. The background is a mix of orange and yellow textures.
