

SEPARATED Already from the beginning of his life the documenting subject was separated from his mother nature and his life was dedicated to reacquire it also as an example to the rest of his modernized contemporaries.

ESSENTIAL The documenting subject gets rid of all potential distractions and fixations only to focus on the cultivation of a faithful representation of nature he is inclined to live without any manias but simply.

TRADITIONAL While the contourning humans keep up with traditions that have completely lost their vital energy the documenting subject focuses on his energy producing a whole new tradition.

SECURING The documenting subject only gently deposits the fruit of his work knowing that too much protection generates the opposite effects of dissolution.

MANAGING Rather than forcing a final product the documenting subject handles all the processes both from within and around him.

RETIRING After several failed attempts to retire in nature with his spiritual work the documenting subject has now a foot ready to so.

OPPORTUNISTIC The documenting subject lives in a state of slavery and has to make use of all the small free time to accomplish his project allowing others around him to pursue their social career from which he is abstaining.

IN-ORDER The documenting subject keeps all his project tidy and updated almost as of he can be ready to die any moment.
