

RESENSIBILIZING The willing to pursue his project has brought the documenting subject to undertake allot of resensibilizing activity like farming, having kids, exploring, painting, drawings... activities that the bourgeois upbringing and the ever more technological society would have hinder him to do. In a way these activities are resulting into hindering him to get in the social patterns of acceleration towards destruction or total conformism.

DEMONSTRATIVE Instances of the project can be conceived as demonstrative of the processes of creation. The documenting subject is a demiurg sharing these processes with others, his son for instance, but ought to document them as documentation becomes the primary mean of communication.

USELESS Allot of the documenting subject work might have a direct connection to his survival but does not in fact add any extra value to his material capital but only

EXCITING The documenting subject manages always to agitate life the right bit at the right time, this in order to provide a constant but subtle excitement making his overall existence quite novel and in a way exotic, embracing many a human dimensions, being one and many kinds of humans at the same time.

MORNING As early in the morning, and early in life, the documenting subject has a kick sprint the layout the rest of his day and life which might also live of the inheritance accumulated as such early start.

FRAGMENTED To maintain his stream of thoughts which also much correspond to the contemporary lifestyle, the documenting subject keeps adding the fragmented to the flow rather than going back and tediously try to rembed them in the already archived flow... this also thinking of his way of writing theory.

DISCONFORTED The documenting subject has a tendency to leave with the least commodities and surplus, only adapting to the necessity of others such as his family members and enjoying more unnecessary thing just in alter stage of his life, like a retired soldier.

TRUSTFUL also as a pedagogic mean, the documenting subject entrust full tasks to his disciples, like his son or someone he host, this without being afraid and later judging from the result and be severe in accordance.
